Netaji Subhas University of Technology (NSUT)

(Formerly Netaji Subhas Institute of Technology)

(Established by the Government of NCT of Delhi vide Delhi Act 06 of 2018)

Netaji Subhas University of Technology (NSUT) is a seat of higher technical education in India. It was established in 1983 in response to the rising demands of human resource in engineering and technology with a close social and industrial interface. Over a period of time, the University has carved a distinct niche for itself, both nationally and internationally.

Govt. Of NCT Delhi has expanded the NSUT in 2020 further into two more campuses namely East Campus (Formerly Ambedkar Institute of Advanced Communication Technologies & Research) at Geeta Colony and West Campus (Formerly Ch. Brahm Prakash Government Engineering College) at Jaffarpur. The Main Campus of University is located at Sector-3 Dwarka-3 Dwarka, having a lush green campus spread across 145 acres, to house a diverse community of students, faculty, staff and visitors. A total of thirteen academic departments work in concerted awareness to ensure that students receive the highest possible quality education with wide assimilation.

NSUT continues to be a prominent place in popular surveys. The University has been ranked among the top engineering colleges including the IITs and NITs. An amalgamation of its efforts to maintain this benchmark has steered NSUT towards reaching newer and bigger goals. The students have won laurels for their alma mater in several national and international competitions. Year after year, students have availed internships (in MNCs, PSUs and foreign universities). A number of students of NSUT have also been offered admission in the MS/MBA programmes in some of the most prestigious universities across the globe. This provides them with an exposure to the world beyond and helps them to imbibe variegated learning experience. Students have also succeeded in getting their research papers published in reputed international journals and conference proceedings every year. The University is a signatory of MoUs with over a dozen international universities and organizations.

Vision & Mission of NSUT:

VISION:

To be a premiere University of global recognition that provide excellence in Education, Research and Development, to create potential innovators and leaders to serve society and Nation.

MISSION:

To promote academic growth by offering state-of-the-art Undergraduate, Postgraduate and Doctoral programmes and to impart emerging and new knowledge in Research & Development.

To identify the thrust area of specialization in education based on perception of Regional and National as well as global needs.

To undertake collaborative projects with offer opportunities for long term interaction with leading Academia and Industries to cater to the needs of the Society and Nation.

To foster human potential by inculcating responsible behaviour, Environments, improvement, Ethics, Innovation and Entrepreneurship.

PROGRAMMES OFFERED:

The Main Campus of University offers 13 B.Tech, 15 Mech, 2 MBA and 2 M.Sc. programmes. Besides this, it offers Bachelors in Fashion Technology and business Administration.

The East Campus offers 2 B.Tech and 4 M.Tech programmes.

The West Campus offers 4 B. Tech programmes.

The University also offers Ph.D programmes in engineering, sciences, management, humanities and social sciences. NSUT has implemented Choice Based Credit System (CBCS) for selection of subjects to the students. It includes Core courses, Foundation courses and Elective courses.

Research

The faculty and students at NSUT are active in research areas such as Analog Signal Processing, VLSI, Wireless and Optical Communications, Image Processing, RF and Microwave Engineering, Computer Networks, Artificial Intelligence, Data Science, Software Engineering, Soft Computing, Robotics, Industrial Engineering, Composites, Welding, Modern Methods of Manufacturing, Industrial Engineering, Process Control, Renewable Energy, Power Electronics, Hybrid Energy System, Bio-medical Instrumentation, and Intelligent Control. The faculty members have published more than 1200 research papers in reputed international journals and conferences since 2016. They have also won several awards for their research contributions.

Student's achievements

The University students have been a regular recipient of accolades at various International events and competitions. CANSAT – Team Kalpana-1, an undergraduate student's team, reached the finals of CANSAT Competition 2018 conducted by American Astronautical Society (AAS) and NASA by securing a percentile rank 7 out of 165 teams worldwide. A Delegation of students from NSUT was awarded the Outstanding Delegate accolade in World Health Organization and the Diplomatic Mention award in GA – SPECPOL at the 64th edition of Harvard National Model United Nations in 2018. Team Ares, a team of space enthusiasts, qualified for the European Rover Challenge 2018 which was conducted by the Mars Society & The European Space Society and is the first and only Indian team to qualify in their first attempt. Venture Deeproots, a company that makes Computer Vision based Intelligent Platform, won the award for the 'Most Investable Idea' at YSIF, Peking University, Beijing. It was the only Indian enterprise to be selected among 35 excellent ideas presented at the summit.

Campus Facilities:

The University Campus has Medial Facility (including Physiotherapy and homeopathy). Power backup, Incubator centre (for students, alumni and faculty), yoga & meditation Centre, Gym facility, University management system, university networking system, internet facilities, broadband facilities, fully Wi-Fi campus, CCTV cameras, bio metric system, Students Activity Centre, sports complex, Two banks, ATM, beautiful horticulture department & landscaping lawns and a shopping complex. A prominent feature of NSUT's campus is the vast expanse of flora & fauna that envelopes its entirety.

Placements:

The past performance of the outgoing batches has done us proud. In the past, eight students have been offered an annual package of Rs. 1.25 crores by Google. Apart from that, various companies like Goldman Sachs, intuit, Microsoft, Amazon, Walmart, Linkedin, Tower Research, Adobe, Direct I among others have been visiting NSUT regularly for placements and number of companies has been on the rise ever since. A number of PSUs have also visited the University and have been recruiting regularly. NSUT has also witnessed its alumni become administrators by bagging Ranks 1 and 3 in the UPSC examinations.

Incubation and Innovation Foundation (NSUT-IIF)

NSUT has Incubation and Innovation Foundation (NSUT-IIF) within the university campus. It was opened to incubate start-ups of NSUT students, alumni, faculty of NSUT, any other incubate under the guideline of Delhi Government at NSUT for two years with seed money/funding from the NSUT-IIF. Netaji Subhas University of Technology won the first prize in the category "Institution Supporting Startups" sponsored by Niti Aayog and All India Council for Technical Education (AICTE). NSUT IIF provides a host of support services to start-ups and organizes selection of newer incubates. Some of the start-ups incubated by NSUT IIF are Zalonin, Vkarma, CacheFi and Bonfarmo. Various societies at NSUT like IEEE, SAE, ISA, CSI, and CEDT Lab at NSUT have helped students learn skills to develop technology based projects.

Central Library

NSUT Central-Library is the heart of University. It functions from first & mezzanine floors of centrally air-conditioned Library building having plinth area of 2000 square meter. It is the largest library in the cluster, 'Delhi Government Library Network' of 'A Digital Agenda for Automation and Networking of Government Libraries for NIC'. It works to meet and promote the needs of print/electronic publications or teaching, research, training and working of each member of the University to ensure quality education & development of the nation. The automated and personalized library services are provided to each user through his/her mobile phone.

Sports Activities

NSUT offers state of art facilities in the domain of physical education, providing, fully air-conditioned Gymnasium with all the latest fitness and strength equipments, air-conditioned facility of Billiards, Pool Table and Table Tennis, indoor Badminton Court, International Size Cricket Ground with three Center Turf Pitches, Practice cricket Nets, Basket ball Courts, Volleyball Courts, Lawn Tennis Courts, 400 meter cinder Running Track, International Size Football Field. The students of NSUT participated at the various North Zone Inter university, All India Inter University Tournaments and various other national level tournaments organized by IITs, NITs and other professional Institutions. Besides participation at various sports, the Department also organizes various Inter College and Inter University Tournaments. The University is running the Foundation Elective (Sports-01 and Sports-02) course under CBCS scheme under the Department of Personality Development. The university provides professional coaching to the students of the university through professional sports coaches.

Societies and Clubs

To inculcate team values and nature the talent of students, various university level societies and clubs are active in the campus like Technical Societies, Non-Technical Societies, Recreational Clubs, Literary Clubs, Automotive Clubs and Community Service Initiatives.

Fee reimbursement and Incentives

NSUT has introduced the fee reimbursement for top ranking students admitted in University and the financial assistance for financially weaker students as per Chhatra Vittiya Sahayta Evam Protsahan Kosh (CVSPK) Scheme-2020. This Scheme also has the provision to give incentives for joining Defense Services of IIMs or top ranking Universities of the world, and also for selection in national level competitive examinations as GATE and UPSC. More information can be accessed at university website.

East Campus

The Campus is located at Geeta Colony, East Delhi having an area of 8.5 acres in which a state-of-art campus with ultra-modern facilities and lush green ambiance all around is built. It has four academic departments, decorated with highly educated faculty members and well-equipped laboratories. This campus is well connected to the city transport system like city-bus, metro etc. and has the facilities like centralized air conditioning in the all the labs, RO system for drinking water, well equipped library, centralized computer centre, playground, rain harvesting system, nursery etc.

West Campus

The Campus is located at Jaffarpur on the outskirts of South-West Delhi, which is approximately 8 Km. From Najafgarh & about 15 Km. From Dwarka Mor Metro Station. A large number of buses ply on this route and

the construction of Delhi Metro is also advancing closer to the Campus. It provides adequate opportunities to budding engineers and makes them ready to be adequately shaped for taking the challenges of evolving national and international engineering market. All the laboratories are well equipped. Since 2015, an English Language Laboratory has also been added where mock interviews, group discussions, lectures etc. are conducted for the students. There is the summer and winter tainting programmes for all the students such as survey camp for the Civil Engineering students so that their field surveying skills can be honed.

The University has grown in leaps and bounds, since its inception, both in size and its scope of activities. The overall environment has been nourishing excellence in education, research and personal development of students and faculty members. All in all, the NSUT is doing its country proud.

Part 2: CVSPK FINANCIALLY WEAKER STUDENTS (FWS) FINANCIAL ASSISTANCE SCHEME RULES 2020

1. Short title:

These rules shall be called the Netaji Subhas University of Technology Chhatra Vittiya Sahayta Financial Assistance Scheme for Financially Weaker Students (FWS) Rules, 2020.

2. Scope:

These rules shall apply to every student seeking degree from Netaji Subhas University of Technology, New Delhi. However, the university shall withdraw the benefits provided to a student under these rules if he/she is found to be involved in any unethical or indisciplinary actions.

3. Objective of CVSPK FWS Financial Assistance Scheme:

To realize objective 3 of clause 7 of CVSPK Rules 2020 by providing financial assistance to the meritorious and needy students of the University. The University will fully or partially reimburse/waive off the university fee and tuition fee component out of the overall fee for that academic year of the students on the basis of gross annual family income of students from all sources.

4. Eligibility Criteria:

- i. The scheme is open to all the students of the University who fulfill the eligibility criteria as laid down herein below.
- ii. The student should be enrolled for an undergraduate programme of the University.
- iii. To be eligible for the benefit under this scheme, the applicant should have applied for financial support under the Merit cum Means linked financial support scheme of the Government of Delhi. Only those students who could not receive full financial support (as applicable) through the above scheme of GNCTD although they were otherwise fulfilling the criteria, will be considered for the benefits under this Scheme of NSUT.
- iv. There may be cases where an applicant has availed partial assistance/support from the GNCTD scheme or from another source of the government. In such cases, the amount of financial assistance to be provided by the University shall be restricted by deducting the amount of financial assistance already availed by the applicant through some other government source. A declaration as per format 'A' by the student affirming the amount of financial support being received from any other scheme/agency for meeting the cost of education for the course/programme has to be submitted.
- v. The student's family should hold a family Income Certificate issued by the SDM or any other officer authorized in this behalf by the Revenue

Department regarding the total annual income of the family. The date mentioned on the Income Certificate should be valid as per the Govt. norms on the date issue of the notice of FWS Scheme.

- vi. The student should fulfill the income/ economic criteria as mentioned below:

Eligibility (Gross Annual Family Income of Student from all Sources)	Percentage of Financial Assistance in university fees and Tuition Fee component
Upto Rs. 2 Lac P.A	100%
Above Rs. 2 Lac P.A. but not exceeding Rs. 4 Lac P.A	50%
Above Rs. 4 Lac P.A. but not exceeding Rs. 6 Lac P.A.	25%
Above Rs.6 Lac P.A. but not exceeding Rs. 8 Lac P.A.	10%

- vii. Financial support under the FWS scheme shall be provided for the minimum duration of the programme under which the student is enrolled.

- viii. A student has to apply for financial assistance every year.

- ix. From second year onwards. A student shall be eligible to apply for support under the FWS scheme only if he/she secures a CGPA of 6.5 in the previous two semesters of that academic year.

- x. Disqualification Due to False Information:-

If at any stage, it is found that the applicant has submitted wrong or false information then the recipient student will refund the entire amount forthwith along with penal interest @ 10% for the period of credit of amount to his bank account and till the date of refund. The University, at its discretion depending upon circumstances, may also initiate criminal proceedings against the parents / recipient student and the degree of the student may be withdrawn

- xi. A committee namely FWS verification Committee will assess the economic condition/financial requirements of the applicant's family and submit its recommendations for grant of fee reimbursement/waiver to such students to the samiti. Depending upon availability of funds and priority to lower income groups the samiti may modify the number of beneficiaries or modify the amount for grant of financial assistance. In such a case the samiti will decide the students who may be granted financial assistance.
- xii. Submission of application for consideration of request for financial assistance per se does not create any right of the applicant for grant of fee reimbursement/waiver. In all cases, the grant of fee reimbursement/waiver is subject to fulfillment of eligibility criteria for grant of financial assistance, the consideration of the duly constituted committee and

the approval of the competent authority. The decision of the competent authority shall be final and no request for reconsideration of the recommendation of the committee and the decision of the competent authority shall be entertained.

- xiii. The Committee shall take into account factors like the livelihood pattern of the family, the locality of habitation of the family, the nature and number of dependents, the socio-economic strata of the family, the financial needs of the student and the family, the state of health of the dependents of the family, the nature of schooling and academic merit of the applicant and such other relevant parameters on which the economic condition and the financial needs of the family/applicant may be assessed. In certain cases the committee may recommend physical inspection of the home and the living standards of the family to assess the economic condition.

Guidelines for Awards for Published Research Papers and Patents

The cash awards along with the certificates shall be presented to researchers in the recognition of importance of the published research work and to celebrate the excellence in research. The cash awards, twice a year, shall be granted for the journal papers published along with complete information (i.e. DOI, vol., issue, no. pagination and month/year of publication). The date of publication of a paper shall be the date when the final version of the paper appears / published online with complete citation information as mentioned above. Certificates bearing complete citation information of the publication shall also be presented to all the eligible authors of the University. For being eligible the considered publications must be listed in SCI/SCIE/SSCI journals and the latest list of SCI/SCIE/SSCI indexing and impact factor by Clarivate Analytics / Thomson Reuters shall be applicable for deciding the indexing and impact factor of the journals. Further, the papers are required to have the author's affiliation as Netaji Subhas University of Technology.

For the awards, invitations shall be made twice a year (in January for publications during July – December and in July for publications during January to June) and the applications, in prescribed form (Annexure-1), along with final version of published research papers qualifying the selection criteria shall be completed and submitted to IQAC. The applicants are required to apply accordingly against the invitations. Late applications, in any form, shall not be entertained. For example, for the academic year 2020-2021 the publications of July – December (2020) and January – June (2021) shall only be entertained in the January (2021) and July (2021), respectively. The applicant shall forfeit his/her claim if not applied as described above. Further, the above timing shall be strictly followed and the publications of July – December period shall not be considered for January – June or vice versa. Furthermore, claim of award for a paper shall be applicable only once in the specified period as above.

The publications made in the journals, which seek publication fee in any form except overlength charges, shall not be considered for cash awards (irrespective of the listing in the publication agencies specified in the following lists). Further, if at a later date the publication is withdrawn or retracted due to some reason the authors shall be liable to return the award (money as well as certificate).

The applications of awards for patents shall also be treated similarly. However, the impact factor and indexing shall not be applicable for patents.

I. **Award Categories & Selection Criteria:** Following are the two categories for the research awards and patents.

1. **Awards for Research Papers:** Following are the three categories for the research awards.

Guidelines for the Award of 'Best Teacher'

By planning appropriate teaching strategies and motivating students, a teacher can bring a remarkable change even in an average learner. A dedicated and punctual teacher creates a positive environment in the class and inculcates the similar practices in the students resulting in meaningful learning and ignition of thought processes. To encourage dedicated teachers and to create a sense of competency among them, Universities shall recognize teachers for their excellence in teaching by offering the 'Best Teacher Award'. This award will be limited to the topper of the merit list of the qualified applicants during the assessment year.

I. Eligibility: A faculty member shall be eligible for 'Best Teacher Award' for an assessment period if:

1. He/ She has not held the position as Vice Chancellor/Pro-Vice Chancellor/ Dean/Director IQAC/ Head of the Academic Departments during the applicable assessment period.
2. He/ She was not awarded for 'Best Teacher' in the preceding assessment period.
3. He/ She has taught at least two theory courses at UG level during the assessment period.
4. He/ She has delivered a minimum 90% of the prescribed lectures (say 27 out of 30) for all theory/lab courses taught during the assessment period and has maintained a proper record of the students' attendance for each class/lab session held/ not held.
5. In the beginning of the session, for every course, he/she has given to the students a complete course plan (with copy to IQAC) for the courses to be taught which should include the complete syllabus with details to be covered on a daily basis, text books, reference books and other reference material. Course plan should also include the scope, prerequisite, expected outcome from the course.
6. He/ She has voluntarily provided at least one-hour slot per week for every course taught (including lab courses) to sort out students' problems.
7. He/ She has timely set and submitted question papers; evaluated and shown to the students' mid-term and end-terms examination answer books; has submitted final grades/marks to the University within stipulated time.

II. Application Procedure: At the end of the assessment year, University shall invite applications from the faculty members on the prescribed form for 'Best Teacher Award' (Annexure-2).

III. Evaluation Procedure: The case for recognition of a faculty for 'Best Teacher' award shall be evaluated by the following five-member committee

headed by Director, IQAC and members nominated by Hon'ble Vice Chancellor, NSUT.

1. Director IQAC, Chairperson
2. One Dean of Faculty, Member
3. One Head of the Department, Member
4. Dean Academic, Member
5. One External Expert, Member

In addition to the information submitted by the applicant, the Committee shall also be provided the following information/documents:

1. Complete students' feedback of taught courses (to be given by In-Charge CUMS)
2. Feedback from Head of the Department
3. Students' end semester performance in all the courses taught by the teacher (to be given Controller of Examination)
4. Feedback from at least one Chairperson of various University level committees/activities to which the teacher has claimed to have contributed (to be arranged by the respective Dean / Registrar as the case may be).
5. Recent three annual appraisal reports (to be given by Administration).

Committee may invite the concerned faculty for clarification/additional information, if any. The committee shall evaluate the faculty on the following 14 points criteria:

1. Quality of course plan.
2. Students' attendance in all the theory & laboratory courses taught.
